“ *Mr. Green was one of my ALL TIME FAVORITE patients in the whole world!!! I worked on him and Mrs. Green at Dr Lambrechts office. Everytime they came in they would always find me to make sure I got my hug and kiss!! I will miss him so much and my heart and prayers go out to Mrs. Green. Thanks so much for ALL the memories I have to remember him by!!*

“ *Uncles have a special role. Not being my father, he could be a friend and a supporter in a different way than anyone else in my life. We were both a relatives and buddies, one of the few people able to be both. The loss of this uncle, is very hard. My heart is filled with the years of happy memories we had, and that special connection that belongs only to me and my Uncle Choke.*
