“ *My deepest condolences to my neighbors in the passing of Ernest. Turk Drive will never be the same. Ernest was the gentle giant in the community. We could call him for anything and he either had it or could tell you where to go get it. I will forever be grateful for him blessing me and my family with our home spot. We were the first family on Turk Drive and he made sure we had everything ready when it was time for the house to pass inspection. We could come home at any time and have fresh vegetables on our back porch that he had picked from his garden. My family was shaken when we received the news but we know to be absent from the body is to be present with the Lord!! Rest in Peace to my neighbor Ernest!!!*
