“ *Mrs. Ethel Copland and her family were one of the first that David and I met when we moved into Charles City. They shared their family with us and the land around us in the love of watching the crops grow and the gathering of the same. She also greeted us at Westover Parrish Church. She always had a hug and a smile. Our prayers go out to her family in this time of loss.*

“ *What a wonderful gracious loving person she was. I can hear her laugh and see her out in the hot sun, working on her huge garden. I know she has now been reunited with her beloved husband John and her son Nonnie. Will always remember her with happy thoughts. Mary Bowman Golden*
