“ I know we only spoke a couple of times, but I will treasure your warm smile and friendly waves as I drove past your house to work on so many occasions. Thank you for sharing your kindness to others you barely knew. Regards, Tracy Jourdan

“ Gene was my incredible friend we have known each other for at least 55 years and our friendship had grown over the years. We went to school together and we ended up going to the same little church and our friendship and love just grew . When he was able, he used to cut the grass at the church and he always kept it immaculate as the years passed and his health got worse, he couldn't do it, but he still attended church and he was faithful as long as he could be there,.He will definitely be missed in my heart and our little church the Gospel Lighthouse Worship Center that backseat will always look empty . I know you are in the arms of Jesus and experiencing the peace like you've never had before one day soon we'll be together rest in peace my friend.

“ I went to NKHS with Gene and Kenny. It's hard to believe they are both gone. Gene and I crossed paths again after many years when I went to work for Timmy Waltrip. Gene could keep a dumptruck spotless with a bottle of Windex and a roll of paper towels. You will never be forgotten my friend. I will be thinking of your family at this time.

“ I remember Gene so fondly from when I lived West Point, many years ago.

He was truly one of a kind—kind-hearted, full of joy, and always fun with a smile or a laugh. His spirit was infectious, and his heart was as big as they come.

May he soar high with the angels and continue to shine his light from above. ✨🙏✨
