“ *Cherie, your mother was your advocate and a joy to talk to. It has been some time, but he knew how much potential you had. You were smart and through it all made great strides. Your mother is proud of you and it was a blessing you came my way. Look to the hills from all of everything that you need, will be given to you. May God bless you and keep you, during this time of sorrow, Bonnie Gardner*

“ Family, we're sorry for the loss of your loved one. Florine and her family were lifetime neighbors. I myself and family attended school together and for lack of paved roads on many occasions had to walk past her home to the bus stop. Florine's sister Linda was my classmate/friend and with other friends in the neighborhood came to my home and played basketball before my brother and his friends showed up. We all shared some happy times together. Our children became friends and visited one another as we did. Nothing can replace your loved one but know we care for you and send prayers of love and healing your way .
