“ Every time I saw you, you'd hold me and say "You're Papa's girl. I love you with a bushel and a peck & a hug around the neck. Don't you forget it now." I will never forget it. I love you and will miss you dearly! Give Grandma our love! See you in eternity.

“ *As a Meals On Wheels volunteer we all knew Rev. Jefferson and that we would be spending some time with him as he loved to share his love of God and his savior Jesus Christ. I will forever miss turning into his driveway as I continue to deliver Route 2 which passes by his house. My love and prayers go to his entire family.*

“ Violet, my love, thoughts and prayers are with you over these next few difficult, trying days. Please know that I am here for you if you need anything. I only got to spend a tiny bit of time with your Dad but he had a way of making you feel special anyway. Carl (Kirsten), Keith, Chris, and Jill know my thoughts and prayers are with you as well. You can say with confidence you know you will see your grandfather again one glorious day. Until that time you have all of your wonderful memories in your heart.

All my love, prayers, and deepest sympathies,

ME

My Uncle Floyd Jefferson always put a smile on my face with his passion and enthusiasm for life and goodness. I didn't see him in often as I live in New York State, but we would talk on the phone occasionally and he would boom through the phone as if he was standing right next to me. He was ever the person to empower others, give consolation and encouragement, and with the sheer speed and kindness of his words, a lightning bolt of inspiration. He and my Aunt Minnie are together with my mom (Clara Adkins) and dad (Swift Eagle) and so many of our Adkins family and ancestors and friends. Uncle Floyd can literally preach to the choir! I will miss you, dear Uncle Floyd. See you on the other side someday. I love you. Matoaka Little Eagle
