“ I will always remember the day Jim argued that races were stupid because all they do is run in a circle and Francis argued that football was stupid because all they do is jump on top of each other with a ball in the middle. I laughed so hard that day that I was crying. So sorry that Francis has passed. Larry please take care of yourself and know that you are not forgotten you are a loved.

So sorry to hear of the passing of Francis. She was such a sweet lady and I always enjoyed talking to her (and you) when we worked at DOA. Prayers that God will comfort you and give you peace both now and in the days ahead.
