“ *So very sorry to learn of the passing of Mrs. Modr. She was a fixture in the office at the service station, always so friendly and helpful. My parents, Stanley and Virginia Ryczak, respected her and her husband "Jimmy", as honest and hardworking business owners. But more than that, they were friends as well. To this day my mom tells me to "stop in and say hello for her, to Michael and Melissa, and have them tell Fran hello too". Please accept our family's sincere sympathy for the loss of your dear mother. We hope that your wonderful memories can ease your heartache.*

“ Praying for comfort and peace to the Modr family. I will always remember how Mrs. Modr always found the time to ask about our dogs and our chickens and tell me how much she loved to drive by our house just to see they were up to. I will miss our chats at the service station.

“ We were so sorry to hear of Francis' passing, and our prayers are with her family. I will miss her very much! Many times I would go in to pay for gas, instead of using my card, just to see what was going on in town. God bless her memory and soul... "They'll Never be Another!" God bless you all!

“ To each of the Modr family, our deepest condolences to you in the loss of your Mother and Grandmother. Mrs. Modr was a very unique person and her presence in being a direct, honest and kind person will be remembered. I enjoyed the short time that I was able to know her because you always knew what was on her mind. That to me was a wonderful trait for someone to have. The only thing anyone leaves their family and others when God calls them Home, Is Their Name and she will be remembered as an honest, hardworking woman that loved her family and provided the best she could. May you find the courage, strength and comfort today and each day to come, in knowing that God will wipe your tears and shelter you in this time of pain and sorrow. Rest In Peace Mrs. Modr, for your glorious journey with Jesus Christ Our Lord has just begun. Love to each of you.
