“*Cathy and Robert, Carole and I are deeply sorry and moved by of the death of Frances. She was one of my role models for the past seven decades. I can recall a litany of times that she brought sparks of enjoyment into our backyard life. She opened my eyes about far away places, on living in Europe, about walking the streets in Germany, role modeling me on how to live in a rock and roll world, being a soldier, and numerous other growing up activities. My prayers go out to you and Robert during this time of our loss. Frances was the best sister that any one could have ever had. I am proud of how you stood by your mother during all those dark days and nights of questions and apprehension in the hospital!!! We have many beautiful memories to look back upon and to cherish in our hearts as we continue on this journey of life. May you be blessed each and every day knowing you had such a wonderful mother and grandmother who loved you dearly. I Loved my sister Frances Garland Walton and always will!
Love from Carole and Jack*

“ Cathy and family, so sorry to hear of your loss. Francis will be deeply missed at Poroporone, she was so much a part of our church. She was such a kind and thoughtful person and always willing to help. Donnie and I often mention the good times we had with Francis and Joe when we used to go dancing on Saturday nights. We always had a great time. Just know she is with a lot of her loved ones now and at peace, no more pain. We will keep you and your family in our prayers.

“ Frances was a wonderful friend to my parents, Robble and Purnell Drudge. She and Joe always so graciously and willingly drove to Sanders Assisted Living to take them to Poroporone Baptist Church whenever they were able to attend. I am enjoying wearing some of the beautiful jewelry she gave to Mother for Christmas and birthdays.

Ray and I send our deepest feelings of sympathy to her family. We shall remember her as a caring, lovely lady.
