“ Fran, We will miss you!! Dale said he will miss your encouraging talks. Dale also said please stop poking him in the forehead, lol. We admired your strength, endurance, love for your family and service to our country. You fought the fight and no more pain and suffering. We enjoyed our visits when we all got together. From Cruising to the beach to just sitting and chatting. Your sense of humor, jokes and love for the sandy beach and people watching was funny, You know what were talking about!!
Rest easy our friend <3
Love Dale & Lynda

“ *I will always remember our times at the beach, the cruises and the trips too the Bahamas. I know Tom will miss sitting with Fran at the coffee shop watching all the babes go by and the many trips treasure hunting together. We both miss you but know how hard you struggled this past year, and find peace knowing you are not in pain any more.*
