“ I just learned of Fran's passing and I am so saddened by this news. My husband and I would have been at her service had we known. It was a shock to me to find out today. I am so sorry for her family's loss. Fran L. Parker was always so cheerful and upbeat. She was a good person and I know that God was close to her heart. Fran was a good computer technician and was always right there to help me. I will miss her. She was very sweet and great company. "The Lord Bless you and keep you, the Lord shine his countenance upon you and be gracious unto you
May he shine his face upon you and give you peace. "
With a heavy heart

“ *I knew your Fran when she was a young mother. She was very happy whenever I saw her. She was always very kind and generous to me. She made all of the dresses for my bridesmaid at my wedding in June of 1984. I know it was hard for her to do this with three children , but she never complained. My husband Ken and I would like to express our deepest condolences for you and your family. Know that we are praying for you. 🙏❤️ here is a picture of the gowns that she hand made for each bridesmaid. Her work was beautiful!*

Our family met Fran in the early 70's, shortly after relocating to the NJ shore. At the time, she was married & the mother of three beautiful, well-cared for children. We will remember her as a devout Christian & as being a highly skilled dressmaker. Also, her crochet work was delicate & exquisite. Our condolences to her family, with whom we remain close.

Fran was my sister in-law, she had a beautiful smile and I loved her laugh. My daughter Melanie and her cousins Rachel and Robin were adorable together. Fran helped me to learn to improve my sewing skills, she was very talented. I will treasure those memories and pray for her and her family, especially her children.

I just learned of your passing, and was both shocked & saddened. We met under strange circumstances, as you needed someone to drive you to your eye surgery appt. We spent 3 days together and had some good laughs, told funny stories, talked about our kids & grandkids and, of course, our dogs. Chloe was your best friend! You were a positive, fun loving, smart and very kind person. I will miss you. Marti
