“ To the Haynes family,
I am so sorry for your loss. My thoughts and prayers go out to all of you in your time of need. I met him about a year before his wife passed while flying my small radio controlled airplanes at the Highland Springs ball field near his home. He and his 2 sons came over to watch, and I became friends with the family. He was always a kind man to me, and always shared with me the love he had for his family.
