“ *Ed Allen's has been my family's spot for the past 6 years. My husband was just there fishing last weekend and learned of this terrible loss. My prayers are with you all. I'm sorry we did not know sooner. I remember going in to buy bait and watching George feed his fish. I remember how excited he was when he got his own space to work on the boats. I remember seeing his kids running around growing up the way kids ought to grow up; with dirt in their finger nails and a fishing pole in their hands. I know he was a proud dad and a loving husband. We are praying daily for your family.*

“ My family and I stayed Ed Allens camp ground this weekend and that's when I heard of George's passing . Needless to say , I was in total shock !!

Every year for the past 3 years I've started my fishing season off with my son at lake Chicahominy and we've always drop in at George's launch . For 3 years in a row I've had engine troubles . All 3 years George came over and gave me a hand to get it started . I would ask George what I owed him for his time . Every year he would say with a smile " no charge , keep coming back to see me" . He was a kind and generous man that will be truly missed by many . My thoughts and prayers go out to the family.

“ I've been coming down to fish at Ed Allen's for 50+ years and therefore know the Allen's from way back. When "G" took over the operations he carried froth the Allen's traditions. "G" always greeted us with a contagious flashing smile and those beautiful eyes. He was always helpful and somehow tolerated us "old folks". If it wasn't for "G's" help we probably wouldn't be fishing due to our handicaps. "G" was devoted to his family. He spoke so proudly and highly of them. No one could have displayed their love more. The Allen's are like family and losing one is like losing one of my own. "G" will be greatly missed. Our love, prayers and sympathy are with the Allen family.

“ Where does one begin when someone so young and great leaves this world. I can only say that I pray for all of you and am blessed that I was fortunate enough to know George. You all should be very proud at the turn-out at the service today. WOW, never saw so many people at one funeral. That speaks volumes about what George meant to so many. He truly will be missed.

I was simply blown away
How could that be possible?
We were laughing the other day.*

*Your dry wit and your humor
Your ‘grin’ and devilish smile
No one knew what you’d do next
You had one unique style!*

*Always there for everyone
So dependable, sincere
Kind, gentle and caring
Felt good to have you near.*

*So, my dear departed everyone's friend
I'll think of you each day
Peace and rest and comfort
I hope you've found on yesterday.*

*Your last words to me
Will help my tears to dry
You hugged me and said,
“Mrs. Christian you are crazy, bye bye!”*

“ *I lived next door to George when we were
both just children in elementary school. I
remember him being so full of life & laughter.
He was my best friend til we moved to
Richmond. I'd always stop by when visiting
family on the shores but I lost contact with him many years ago after
my aunt died.
I always told myself I'd slide back down just to say "hi". Shows us
that life is too short to keep putting things off til tomorrow...

“ I have not seen George for several years, but my parents have talked so much about him and his family. I kept telling myself I was going to go one night to their karaoke and catch up with George but something always came up on Saturday nights. Now I really wish I would have just gone one night. It is a good reminder that we never know what tomorrow brings so cherish family and friends everyday. My deepest sympathies go out to George's family.

“ We knew George from High School. Our son Kevin, graduated two years ahead of him and our daughter Cindi, graduated with him. When we were doing karaoke at Rockahock, George and Eric always came over to play pool and listen. We unsuccessfully tried to get them to sing, but they always played and listened. Recently he and his wife Kary, opened Lakeside Restaurant and we became friends with his entire family and started doing karaoke at the Restaurant. We even got his son Gavin, to sing with us. We fell in love with his entire family especially little Gigi (who loves her daddy so much) and we will miss George very much. He always had a smile, polite manner, and lots of kind words. Kary, our hearts go out to you and your family. If we can be of help to you and your children, please call on us. Such a beautiful family and such a great loss. We love you guys and prayers are with you every day. God will see you through.

“ Here is a funny story about George that I have never forgotten. My family and I lived behind George and his family, when he was a teenager in Lanexa, VA. One Christmas I took my famous chocolate chip cookies over to his house and he was the only one home. After Christmas I saw his Mom and the subject of my cookies came up and she said that she never heard about or saw those cookies. Bless his heart, George ate that huge container of cookies by himself. So sorry about George, thoughts, prayers and hugs go out to the family and friends.
