“ I also worked with George at CoStar, and then at the Farm Service Agency as a contractor for a total of about 5 years. He was always an excellent, professional coworker who never failed to go our of his way to help his teammates. We had so many great times working crappy jobs and hanging out after work. I am very sorry to hear of his passing. He was a great person and will be sorely missed.

“ Dear Banks Family,

*We are so saddened to hear of the passing of our good friend and classmate, George Banks. George was always a very easy going person, got along great with many, and had an endearing smile and laugh that would easily make you feel good as well.*

*For many of us in the Class of 1994, we haven't always done a good job keeping in touch with George and other classmates from CCHS as our lives and paths and obligations took us to frequent other places, spaces and season with other people. We regret that there wasn't additional time and opportunity to reconnect with our brother prior to his homegoing.*

*George was our friend, our buddy, our brother and he will never be forgotten. The world has lost another beautiful light and grown a little bit dimmer with him not around. He will be missed but we have those memories to keep his spirit alive.*

*May God bless your family and kin folk as you too celebrate his love and life!*

“ George Banks, Jr. was one of the most capable and hard working people on our large commercial real estate research team at Costar Group and George was friendly, open and always on top of details in his job there. We're sad to learn of his passing and wish George Sr. and Carolyn condolences and warm memories of their son who was truly a great person on this earth.
