“ I first met Conley in 1987. He was a good man and soon became a great friend! He loved his family and took good care of anyone in need!

He was a gentle and kind soul and I'm sure he will be greatly missed by those who knew him.

As a Special Game Warden for the Dept. Of Game & Inland Fisheries, Conley assisted me so many times at Elsing Green. His honesty and dedication to his job were beyond reproach. His outdoor skills were incredible, and he taught me a lot about woods & water of King William County over the years. Conley and Lisa would always welcome you into their home and make sure you were cared for! I will keep many great memories of Conley and the rest of his family forever in my heart!

Prayers and condolences to Lisa and the rest of Conley's family!
