“ *To The Family: I am truly sorry for your loss but her passing is truly a loss for all who knew her. I would talk to her almost daily just checking on her. The last time was either the 6th or 7th of this month. I last saw her on October 1st when my wife and I visited her in the hospital. We talked and was hoping to get discharged that day to go home. Well, she is now in her heavenly home with nothing but joy and everlasting life. RIP my dear friend. ...:*

“ *Donna & I are so very sorry to lean of Tootie's passing. She would call us at times & was always so sweet on the phone even when she did not feel well. I also saw her at the Funeral Home when her brother died. May you find some comfort in knowing she is no longer struggling to breath*
