“ Miss Glenda was such a kind & sweet person. Always lending a helping hand. I remember once one of my children's mocassin string came on done & little stressful at a low wow. She showed us how to use a clothes hanger to needle it through. It meant a lot to us having her guidance & support. Thankful we got to know her. May she rest in peace.

My memory, I was in Richmond during Xmas. There an ice storm, what little light we had, I was still able to make her beaded salt and pepper shakers for Xmas. She was so surprised!

“ I had a chance meeting with Glenda, Becky, and Eddie when brother Dean and his wife, Toni and I attended a Lumbee Homecoming several years ago. It was so special to meet and talk with a former college classmate of Momma's. Glenda took me under her wing and shared positive stories about my mother. It was obvious to me how she admired Momma for returning to college after having six children to earn her college degree in 1957. Glenda shared her college yearbooks with me so I could see photos of Momma that I had not seen before. We met at Applebee's for lunch, I attended a Pow Wow with Glenda and Becky, and one day I went with them to see a doctor on the Reservation. That may have been the day that I found my car washed and looking nice when we returned back to Glenda's ... thanks to Eddie!

Salt of the earth, genuine, giving and loving, Glenda was all of these and more. I'll always remember how kind she was to me, and how complimentary she was of my mother. Becky and Eddie, may you be comforted by the wonderful memories that Glenda left with you. May she RIP 🙏

“ *Becky, I am so to hear about your Mother and know that she will be missed by many. I remember at the cookouts we would set around and talk for the longest time. We know she is happy now with your Dad. Remember that the pain and sorrow will ease as time goes by and that you have plenty of people that will be here for you if and when you need them.*

Becky and David,I am sorry for your loss. Ms.Glenda taught me in 2nd grade. How ironic was it that around 38 years later not being around her other than seeing and speaking to her once a year at Mt.Bethel church homecoming service,that Ms.Glenda and Becky would become Pow Wow parent to my daughter Consuela,I thank y'all so much for taking care of my baby.We will miss her .
