“ It was such a pleasure to work with the Bowman family. In such a
short time, I grew fond of Mr. Bowman and his fiery spirit. With each
visit, I could tell he was so loved and very well taken care of. I
enjoyed watching the interaction he had with his grandson the last
time I saw him. He left an imprint on my heart that will follow me
throughout my nursing career.

“ In my short period of working with Mr. Bowman I learned that he
was truly a blessing to the lives of anyone he came in contact with.
The love he had for his family was and most importantly his wife
was true and unconditional!! The story he told me of how he won his
wife over will forever stay with me, as well as the love they shared
for one another. I will forever cherish the time that I was able to
spend with him. Rest in PARADISE Mr. Bowman.
