“ I was so saddened to hear of Glenn's (Hillbilly as we affectionately called him) passing. He will genuinely be missed by our entire family. He and Anna had been friends of the family a long time. Rest in peace Hillbilly!

“ We are very sad to learn of Glenn's passing. He was a great friend to our parents AJ and Hilda Smith. They were neighbors in Shackelfords that began a 30 year close friendship. He and Anna attended most of our family get-togethers over the years. The sweetest thing to witness was the bond he and AJ formed. Not a day would pass without a phone call between the two of them. Such a sweet man. Hillbilly will be missed. Please know that we will be praying for peace and comfort for your family.

“ with Glenn each Sunday morning. His smile showed how glad he was to be there & we were always glad to see him. Gerald approached his help with making coffee & helping in any way he could help. He could hold his own with all the joking within the group. We are very sorry that we are unable to visit with his family during the visitation. We send our thoughts & prayers to his family at this difficult time.
