I worked with Gloria at State Farm Insurance. She was a good friend of mine. We shared many times together and she was a bundle of fun. I know you will miss her but Jesus Christ her Savior is taking care of her now. Rest assured you will see her again in her heavenly home. May you have peace and comfort at this time. “ As many of us have known Gloria Through State Farm that office will never be the same. I have known Gloria for many many years since I was 18 we have shared many stories about our boys growing up and then our grandchildren. It breaks my heart to hear of her passing but to know that she is pain-free is a blessing to me. In my thoughts and prayers to the family.

“ It is so appropriate that Gloria (a church-going and cheerful woman) passed away on a Sunday, and on the night of the bright Super Moon. What a send-off! Gloria will be missed so much, by so many. Not only her doting husband, David, and her loving son, Kevin, but by her many friends, including Diane Priestley, Barb Miller, etc., etc. We will always remember you, Gloria...
