“ Ed, Tammy, Corey, Neal, Shirley, Buster, Edith and Crawley Families -

We were saddened to hear of Grace's sudden passing. We are sending our condolences and heartfelt sympathy to all of you. I (Del) always enjoyed talking with Grace and laughing with/at her (and the rest of the Crawley siblings') comical witticisms. She will be missed and may all of you find comfort in the loving and funny memories you shared with her. Love to all of you. God Bless!

Ruffin and Delcenia Prentiss (your extended family).

“Where do I Begin? You are in heaven now with Aunt Chris & Aunt Joan, I just wish you hadn't left us so soon. You know Buster is laying you out because you left him on his birthday and he didn't get that morning call from you. Besides my parents, you have always been one of my biggest supporters even if it came to making that pasta that I liked. No matter what was served for Sunday dinner you went out of your way to cook my special dish each time. Family time definitely will not be the same without you! Continue to watch over each of us and give Dad signs each morning that you are still here with him even if it involves turning the tv to those game shows you liked lol. I remember when Aunt Chris passed, I called to ask you what were you doing? Your response, “sitting here watching tv with Chris” lol. Welp I guess that's what Dad will be doing now :-(rest in heaven my beautiful Auntie! Your memories will live on! love your niece, Shardae!!
