Sunrise 10-1-1968, Sunset 4-4-2018

Grant went to be with the Lord on April 4, 2018. He was preceded in death by his parents, Granton & Fay Adkins, Maternal Grandparents Lloyd & Varina Adkins and Paternal Grandparents E. Hiawatha, Doris, and Lucian Adkins. He is survived by his four loving children, Ryan (Heather), Leah (John), Tiffany (Jamie), Samantha, grandchildren – Kaitlyn, Hailee, John, Jonah, Layla, Conner and Landen, his brother Jody, nephew Logan, honorary brother Shawn Adkins, along with many aunts, uncles, cousins, and friends.

Grant will be remembered for his heart of gold, great sense of humor, singing, guitar playing, and the love he had for his children, grandchildren, family, and friends.

The family is respecting Grant’s wishes for no services; however, they are asking for all who knew him to remember him as the great man he was and to take comfort that he has been reunited with his parents and his best friend, his dad, Granton.

“ *I am so sorry for the families loss. I met Mr. Adkins, when he use to come to the Charles City Middle School, to pick up his children. We use to talk, he was a real nice young man. I know he will be missed, by family and friends. I will keep the family in my prayers.*

“ *My memories of Grant is that he was such a polite person with such good manners. He always addressed people with a proper name such as Mr. or Mrs. I told him one time he did not have to call me Miss, he said that he was raised to be respectful. He will be greatly missed by all who had any contact with him. RIP*

“ *Grunt (Grant),*

I take comfort in knowing you are with Uncle Granton, Aunt Fay, Grandma, Grandpa, Granny, & Granddaddy and many other family members who walked on before you and that I will see you again someday. My big teddy bear, gentle giant, bonus brother, I love you tremendously - and will be here for the kids. The loss is felt deeply but only because the love was deep. Rest easy and give to Dad a big for me.

*Love,
Penny*

“ *"To the family my prayers are with you." Being a classmate of Granton's the first thing I will say about him is that he always made me laugh. Over the years I saw Granton at the store and we always managed to spend five minutes laughing, catching up or picking with each other. Granton will be missed.*

“ *Classmate, I don't know what to say... When I heard the news all I could think about was "our" 10 grade year!! I wish I could go back to that time. Years passed and we lost touch the last time I saw you was in Food Lion and I knew it was you when I heard the "voice" , I called your name and you turned around and I saw that smile... Rest in peace my friend until we meet again. To the family, I pray peace, strength and comfort for you all. We have loss a sweet, gentle giant. Felicia Paige Brown CCHS class of 86*

“ Anyone that knew Grant would agree that he was someone that would make you laugh. Grant never knew a stranger. I knew Grant for 16 years and would usually go visit him and the kids on Sunday's. My thoughts and prayers are with his kids, grandkids and family. The last time I had seen him he talked about how all the kids were grown and having children. He was so proud to be a grandpa. May you find strength knowing that he is no longer suffering and in a better place.

“ So sorry of this loss. To the Adkins family please know that you all are in my thoughts and prayers. My earliest memories of life were shared with him as we were the exact same age and I spent a many a night with his grandparents and extended family. We all grow up and get older. However, when something like this happens it seems like 49 years were just like yesterday . Footprints in the sand... God has you all during this time.

“ I have known the Adkins family for more than fifty years. Grant was just a little boy when I use to go and visit with his Mom and Dad and his Grandparents. I use to call him Little Grant because he had his Dad's name. He grew up to be a loving and caring person. He will be missed by everyone that knew him. My prayers go out to the Adkins family.

“ I remember jumping on your back at 15 thinking you were Guy Stewart!!! Lol! You looked at me and said "Hi beautiful!" Lol! You called me that from then on! You came back into my life a few years ago and I loved it! I miss you so much! You always knew how to make someone laugh and treasure life. That was my first memory of you! You had me laughing the last time we saw each other like always. You were one of the best! This world is missing a hell of a fella without you!

“ Grant and I worked at Chucks Supermarket along with Shawn. Those were the best times, we would always cut up. Lost touch over the years, saw him around the forge from time to time. He left this world way to soon, for we need more of "Grant" in these troubling times. Thanks for the great memories. My prayers are with his family and friends.

“ I will always remember Grant for his loving heart, him always cracking jokes and making us laugh, him playing the guitar and his love for his children. I will always remember him calling my son Dylan "one ton" ever since he was born. That's a memory my son doesn't forget. Grant was such a gentle soul and he will be greatly missed. My thoughts and prayers go out to his kids Ryan, Leah, Tiffany, and Samantha and to his brother, Jody. Hold the memories of him close and lean onto each other during this hard time, it will help.
