“ *Greg and I started kindergarten at Norge, then Berkeley, James Blair, Lafayette, and finally Virginia Tech (17 years). We were never particularly close but were always friendly and cordial to each other. We recently reconnected on Facebook and cheered Va Tech wins and griped about the losses. I was/am saddened about his passing like all of us. You will be missed.*

“ *Greg was so very patient with everyone he met...especially me. He was a kind teacher to me and always helped me and supported me thru so many troubles. He minimized his own troubles to make someone else feel good. He was a ray of sunshine. A good friend has joined my darling. Have fun you two. Love...Peggy*
