“ I was so sorry to learn that Dusty had passed away. I knew Dusty my whole life and always considered him and Uncle Charles Crump the elder statesmen of New Kent County. I will never forget either one of them, Bob Walker and family.

“ Dusty picked me up on Rt 249 one morning. I was having car trouble and needed to get to a phone. While he drove me to the courthouse, he bragged endlessly on his wife's shooting skill. Such a nice guy... I'm so sorry, Nell. I'm pretty sure he was telling me you would shoot me if Dusty came to any harm.

“ GG, Cathy & Pam, I am so sorry to hear of your father's passing. Your parents were instrumental in my life for always being there while we were growing up. I haven't seen them much over the last few years, but every time i got the chance to see them, I spoke to them. Once again my condolences to your family.
