“ I'm so sorry for your loss! I wanted to share a memory Hannah and I shared together! The first day I met her! It was a regular Saturday , and she came by the house and I was introduced to Hannah. We instantly became friends! We told each other almost everything about ourselves , even the tough things! Everytime I saw Hannah her smile made my day! Everytime Hannah and I were together she was such a joy to have around! Always smiling , always with a positive attitude. I'll never forget the day I met you Hannah it was the best day ever to meet such an amazing friend like yourself! You will be missed dearly! I love you babygirl! Rest easy , your forever in our hearts and minds 🙏❤️💕

“ Dearest Lynn..... my heart aches for what you and your family are going through. Unfortunate for me, I didn't get to know your beautiful Hannah and only saw her at Diddle's service, but boy was she full of life and such a beautiful young lady. I couldn't get over how much she reminded me of you growing up. I know your mom, is holding her tight. I am praying for you all. Sending warm hugs and love your way sweet Lynn. I love and miss you cuz ~

“ I met hannah in middle school, though we didn't realize it. Years later, we came to work together and the friendship we built together was the most valuable thing I ever got from that job. The hours after work we would make so many plans, go so many places, and we always were together. Me, you, and ben. Everyone knew the three of us were always together. And I'd never have had it any other way. Your loss is not something I'm going to ever be okay with. You will be so missed. And you are so loved my so many people. Fly high, you beautiful soul.

“ *Hannah was a beautiful bright light when she walked into a room. I was blessed to know her, if only for a short while. Her infectious personality drew people to her and her beautiful soul kept them around. We had such a great time at the Crab Pickin Party at the end of July. As the evening wore on and most of the guests left there were a few people left singing karaoke and dancing like fools. Hannah and I were a few of those. I am SO blessed to have those memories of Hannah.*

Lynn and Fred, my heart hurts for you. Y'all have been through SO much this last year and I am glad that you have the Lord and each other for strength. My prayers and condolences are with you and your family at this time. Love you.
