

Harold Rhames Jr.

November 8, 1962 - August 2, 2021

Harold Rhames, Jr., affectionately known as “Pot” died unexpectedly August 2, 2021 in Memorial Regional Medical Center at the age of 58. He was born November 8, 1962 in Monterey, CA to Harold Rhames, Sr. and Gloria Bailey Rhames. He spent his early years in Brooklyn, NY before the family moved to Williamsburg, VA, but most recently resided in Aylett, VA. Harold was loved by everyone he came across, and was always willing to lend a helping hand. One of his proudest accomplishments was serving as an usher at Victorious Life Christian Center and Bethany Baptist Church.

Harold was a diehard Redskins fan; the only thing Harold loved more than the Redskins was God. One of his last wishes was that he could go back to church. “Pot” was preceded in death by his mother, Gloria Rhames; and his brother, Larry Rhames. He leaves to cherish his memories his father, Harold Rhames, Sr.; sisters, Odie Rhames and Rochelle Acree; a brother-in-law; a niece; nephews; and a host of family and friends.

Harold will be missed, but not forgotten.

A memorial service will be held 12 noon, Friday, August 6th at Vincent Funeral Home, 417 11th St., West Point, VA 23181.

“ *My name is Marilyn Holmes I was one of Harold's care taker. I remember one time that I took him out for dinner for his birthday and then to a club for h to dance. That was the best time I think he had. At first he was shy to dance but when he got himself together the ladies asked him to dance. I will truly miss him. RIP*

I had the pleasure of supporting Harold in his journey of living his best life! I have so many treasured memories. I can only close my eyes and see his grin, sparkling eyes and infectious laughter. His beloved watches, those darn Redskins, going to work, church, dressing well and getting his haircut in order to look sharp! He was willing to try unfamiliar things. Certainly he had hesitation, given time he came back with his final answer. One of the most treasured moments was watching Harold get into the swimming pool and begin his first practice for a swim team. The photo's are priceless! I have our tickets to this years game, we missed last year, however I am confident you will be with us. It won't be as fun watching your Redskins loose to the Boys! Harold's life. The life he chose. What mattered to him. You will be missed my friend
