“ I am so so sorry to learn that Squeaky had passed away after I had searched for her for 46 years and just found her a few minutes ago and this is what I found. OMGosh. I am in shock. I am so happy to know that she had a son and I could share these pictures with him. We three girls worked together in Heidelberg while our husbands were in the same division in the Army. Simone and I so much wanted to find her and be able to have a reunion together once again. Please know that I am very sad to hear this and will keep you and your family in my thoughts and prayers. Please stay in touch and we can share memories.

“ I just learned of Harriet's passing. Too soon! We worked together for years, Harriet gave 100% no matter what we were asked to do. She was a kind, gentle and compassionate lady. I am so sorry for her loss. Condolences to family and friends.

“ Squeaky and I reconnected about 2 years ago while planning for our 50th HS graduation last Sept. She wanted to be there so badly but unfortunately it didn't work out. As a kid, I loved being around Harry, Minnie, Jackie, Wade, Marsha and Squeaky. Never a dull moment!!! Such fond memories

“ Squeakie Oh Squeakie ! You were a part of my growing up and being neighbors made it easier for us to find something to get into that we surely had business doing but ~~~ we DID all the same. I remember going on your Dad's boat over the Gulf Point so we could do some swimming and picnic as well but you and I always came home looking like freshly steamed lobsters ! My memory bank is full of stuff we did throughout the years and " RED " I 'm sure gonna miss YOU !!!

“ So sad to learn of Harriet's passing. We grew up together and Harriet's dad worked for my dad doing bulldozing in the woods for my dad. Although we had not been in touch for several years, I remember how sweet Harriet was to me. Thoughts and prayers to Harriet's family. Linda Bland Goodman.
