“ I am sitting in my office looking at three pictures Harry framed for me and thinking how long its been since I have seen my friend Harry. I am so sorry to have missed his passing and the opportunity to express my condolences. Harry visited my store, *If It's Paper*” often. He drove an old green Oldsmobile of mine for years. He was a good person to see walking in the door. I hope five years isn't too late to wish Dorothy and his family joyful memories.

“ I met Harry about 45 years ago. I think I may have been single at that time and, if I remember, it could have been at a local club. I loved talking with Him. He was so much fun. The last time we saw Harry was about 2 weeks at his mail box coming back from breakfast. I wish now we had stopped and said hello. Harry, you will be missed.

“ Harry, such a wonderful Father-In Law you are and such a joy to see you each and every time and giving you a hug and kissing your sweet cheek.. I know where you are right now, "To be absent from the body is to be present with the Lord".. You passed from this world in to the heavenly realm and live on-- for eternity to die no.. more.. You will always be in my thoughts each day, until we all are reunited one day with all our loved ones that have passed on before us.. No, we can not see you, but know you are only a breath away.. with my Love to you... Susie Fuhrman Jim's wife..
