“ As a young boy I was lucky enough to spend a lot of time with Harvey. I remember the dump trucks, loaders that Harvey owned and operated for several years. Riding in dump trucks and being around loud equipment was a very big part of my life at the time. I also remember the Shell station that Harvey owned across from the Tavern in Prov. Forge where I was allowed to ride a go-cart at the Shell across the road around the Tavern and back. I I was maybe 10yrs. Old when Harvey took me bear hunting up in Craig county. We never saw a bear but I had a great time and will always remember the great times I was lucky enough to get to spend with him growing up. I will never forget you Harvey!
