“ Audrey, we were sadden to hear that Henry past away. I know this is a difficult time for you and your family. Sending prayers and deepest sympathy to you and your family. I know what you are going through as dad will be gone 5 months on the 29th. Mom so appreciated you calling and talking to her. Again you are in our prayers. Curly and Karen and Hazel and Steve.

“ Henry, where do I begin? From the first day we met you made me laugh. I was never a stranger, you always treated me as a friend. And I thought the same of you. You had the ability to make one feel safe. I loved your stories. I loved your laughter. I loved your zest for life. Thank you and Audrey for sharing your life with me. You are both very special people. And while I may miss you here on this Earth, I know that you will be ever near, keeping a watchful eye on Audrey and your family. And I am fairly certain you will find a way to keep teasing me! So, for you Henry, I will keep smiling, even if tears threaten. Because that is just who you were and I've no doubt that is what you would want all of us to do. Love to you always my friend. Till we meet again!
