“ *There are no words to say how much I am going to miss my brother in law Henry. Every time I would go to his house he would always try to feed me. I will miss those 4th of July ribs. I am going to try to remember the good times and how much he cared about my kids. I know you are in Heaven taking care of my son and he is so happy to see you there. Rest in Peace buddy and I will see you one day...*

“ Hey Big Brother I will miss you so much! You will forever be in my heart and I will see you again someday. You never asked for anything from anyone but would do for all and for that no one was ever a stranger to you. You were one of the biggest men with the biggest heart in this world and in the end it was the love in your heart that broke your spirit and allowed depression/alcohol to make a decision that my loving brother would not had made otherwise. We will have our memories and love forever until we meet again.
