“ *My thoughts and prayers are with Marian and family during this time. Mr. Kopacki was always so pleasant and friendly. I remember my dad getting fresh smoked kielbasa from him when I was little. May his soul rest in peace and may God wrap his loving arms around all of you.*

“ *I remember when I was 4 or 5 years old, my dad taking me over to the Kopacki Residence, and Mr. Kopacki would always come out with a handful of candy and give it to me. I used to ask if we could stop and see the "candy man" every time we passed the house. He will be missed greatly.*

Uncle Henry was my closest relative. We grew up next door. There are so many memories that I can't begin to write them all down. Midnight, that big ole tree next to the house with the swing, The Mulberry Tree, and the way that he treated us like we were his own. Godspeed, Uncle Henry! You will always be in my heart, my memories and my prayers!

My thoughts and prayers to the Kopacki family. Henry was my godfather and never missed coming to see me during Christmas and special days. I always knew if anything were to happen to my parents during my young years he would be a great father for me. Henry will always be in my prayers along with other family members.
