“ Dearest family, I just heard of Dinky's passing. I am an old friend of his. We were both raised in Shackelfords. I recently saw him at Stewarts Grocery, it was the first time in probably 40+ years.. I am so glad that I got to see him that one last time. He was a mess, we had some fun times. We were just young teenagers and no clue what the world would bring our way. I am so glad he found love and happiness he surely deserved.

My prayer is that you will remember the good times and his special way of making you laugh. And that GOD will always carry you when you need it.

With much love, Pinky

“ Dinky loved his grandsons so much. He lit up like a light when they would come over to hang out with Paw Paw. He will truly be missed by everyone, but especially his boys. I love you Dad. I'm sorry to see you go, but glad you are no longer in pain. I wish I could be there tonight.

“ I just heard about Dinky and I am so sorry for your loss. I was going through some old pictures the other day and found one of Dinky when we were in the 8th grade, and I remembered all our crazy fun times in school. Jean Seay (Slavey)
