“ I am so heartbroken to hear of sweet Hilda's passing and my sincere sympathy and prayers for her entire family. She has been a such a part of three generations of my family. My Grandma Carter worked with her in her family's tastee freeze; Daddy and John were very close and I worked with John in the power plant; Joy and my sister Cheryl were childhood friends and Donna and Cheryl worked with Courtney at Tony and George's. Mama and Hilda always remained friends. She was loved by so many and will be missed by All.
