“ *The man that held this family together. Every time I feel weak or sad I think of my pa. I wanted so badly to know more about you. I robbed myself of that opportunity. But from what I did know about him is his amazing personality, the strongest man I've ever known. The most courageous, a true family man. I miss you more than you could ever imagine. I hope so badly to see you again someday. I love you so much.*
