“ *Terri, Connie and family I am so sorry to hear of the passing of your mom. I loved talking to her when she came by my home or where I worked. Not to mention the grocery store, we could talk for hours. Ms. Iris loved to talk about Jesus and I'm quite sure she's at rest.*

No matter how she felt, she would respond "wonderful" and in my eyes she was wonderful in so many ways. Many times she would come up with a word to encourage and encouraging it was, as Proverbs 25:11 says "Like apples of gold in silver carvings, is the word spoken at the right time". To the Jones family, you certainly have lost a wonderful part of your family. And we too have lost a wonderful part of our spiritual family. We look forward to the time that Martha mentioned when talking to Jesus about her brothers death...(Lazarus) John 11:24 " I know he will rise on the last day"...During that last day, we look forward to seeing Iris rise as well. What a wonderful, wonderful wonderful day.
