“ Iris, you were one of a kind! Fiesty, intelligent, hard working, with a wicked sense of humor. When I first got to 632, you were so welcoming. You never met a stranger, only someone you hadn't gotten to know yet. I loved working special projects with you cause I knew we would make it happen quickly and laugh while doing it! I always appreciated and welcomed your knowledge , which you were quick to share. I learned a lot from you about living in the sticks! I still have the music CD's you made for me. You loved your family fiercely and completely, especially the grandkids. You will be missed old friend. peain leace
