“ ALWAYS SWEET, AND LISTENS TO YOU. THEN GAVE YOU WORDS OF WISDOM THAT SEEMED TO TOUCH UR HEART. I REMEMBER WHEN WE FIRST STARTED CALLING HIM.... IKEIE POO. IN 1980 HE CAME TO ME AND SAID SISTER MARGARET I WANT TO ORDAIN YOU AS ORDAINED MINISTER. I WAS SO HESITANT, BUT HE HAD THAT WAY OF NOT GIVING UP. I LET THAT GO. BUT HE WAS MY PASTOR, NO ONE COULD PREACH IT LIKE HIM,. ILL SURE MISS HIM.

“ Brother Ike always had great words of wisdom to share and he had a way of keeping things as positive as possible. It's been a long time since I last heard him preach or even sing in that little church as a child but I remember it like it was just yesterday...I loved hearing him belt out the tune, Jesus on the Main Line, That was my favorite. The love he had for sister Evelyn was of the purest and set a great example for young men like myself. To all of his family and friends, God Bless and stay positive..To brother Ike, thank you for many things but your words of wisdom above all else, fly high until we meet again...

“ Bro Ike will be deeply missed by so many that loved both him and Sis Evelyn. He was a great man that loved the Lord and touched the lives of so many. I can remember growing up as a small child hearing him preach at Gospel Tabernacle, but the one thing I use to like was hearing him sing and play that guitar. Daddy (Bro. Griffith) use to love to hear him sing as well and I can only imagine what heaven must be like now cause I’m sure they’re up there singing away. I can just hear Bro Ike singing the song he used to sing all the time “ Talk about a good time , we’re gonna have a time”. Just makes me think of how he truly is having a good time now. Even though he will be missed by so many , especially as we get closer to holidays , it just makes me think if we could only look through the windows of heaven, i bet one glimpse would dry every tear. He was a good man who made lasting impressions on people’s heart and will always be remembered by the many lives he touched. Sis Evelyn and family you are all in our thoughts and prayers. We love you all! - Love Tinker and Sis Griffith and family.

“ I often told Ike he was one of my favorite people. He was always such a genuine and caring person. He let everyone around him know they were valued and what they had to say mattered. I was often in awe of his spirit and his compassion. I didn't get to see him often but I took comfort knowing he was a part of the world I lived in. I am thankful that I was lucky enough to have him as a part of my life.

Ike and his family are in my thoughts and prayers. May you find comfort in your faith, family and wonderful memories.

“But none of these things move me; nor do I count my life dear to myself, so that I may finish my race with joy, and the ministry which I received from the Lord Jesus, to testify to the gospel of the grace of God.”

Acts 20:24

And I add to this the ministry that Isaac Addington showed and lived. No, he wasn't Jesus but for all that new him know that he was a great example of Who Jesus wants us to be. Poppa Ike proved what testifying to the gospel of the grace of God. He excepted those that others would put down, those that didn't live the way others thought they should. If we look around and look at others with the "I'm living right, and you're not" attitude we are in the wrong mind set. No one is perfect, no not one, but by the grace given, we are to give that grace. Poppa Ike, Buddy Seal and I thank you as we've told you many times before, for giving to us and showing us what unconditional love really is. You lived a legacy and now I pray your legacy will live on in the lives that you touched. I pray I live up to the legacy of giving grace where grace abounds. Thank you for giving to the Lord, we were the lives that were changed by your giving.”
