“ Randy, Pam and entire family,
Words cannot express the pain we are feeling for you all. Jace was such a kind young man, always so good to our children and those are memories we will cherish forever. I remember when we moved in our home six years ago, Jace and Noah were so welcoming, making Hailey and Brad feel right at home. We are going to miss seeing him ride by on the golf cart, smiling and waving. We pray that GOD wraps his arms around you and the entire family during this difficult time. If you need anything we are right down the street.
Much love,
Rick, Heather, Hailey and Brad Craft

“ Randy, Pam and family,

We have no words to express our heartfelt sorrow that we have for the loss of Jace.

He has always been a great friend to Tate for many years. You know the special bond that they have shared since they were 2 years old staying at Miss Sharon's house.

I want you to know that he was one of the most polite and respectful young men. I know that everyone will cherish the fond memories and know that Jace will be watching over them as their Angel.

Prayers to you and his loved ones for God to you give strength and comfort. Please let us know if you ever need anything at all.

*Much love,
Angie, Dave and Tate*

“ Jace was an amazing young man. He always made me smile. I only got to know him briefly during our Real Estate course. Such a kind soul that would drop what he was doing when someone he cared about was in need. Such was one occasion when he was my house studying. His father was going to do a project and he said to us, "I am really sorry, but I need to go and help my Dad. I really don't want him working on his own." He always spoke highly of his parents and grandmother. I was always bragging about him and the amazing job his family had done raising him. I was looking forward to seeing everything he did and became. He has definitely left a hole in my heart and everyone else that was blessed to know him! Fly high Jace we will miss you!
