“ To the entire family, there are no words that can ever express how sorry we are for the loss of such a sweet and gentle young man, who has left us all too soon. Know we are with you in love and prayers, hold his memories close to your hearts and he will never be forgotten.

Love Always

“ I still can not believe this. I am his grandmother and while my pain is unbearable, I know his mom is going thru even worse. Jacob was very special, very intelligent and gifted. He was a wiz on computers. He was able to start a computer by himself at 2 years old and insert his Lion King disc. He loved pulling pranks on people and playing cards and board games. I will forever have a hole in my heart. I miss him and love him.
