“ *Lacy and I are saddened to hear about Jimmy's passing and he will be missed by many who came in contact with him during his earthly life. He had a way about him that was unique as he could show you how much he thought of you while pulling you through the key hole .. both at the same time ! Lacy remembers Jimmy pretty darn well as they were in school at the same time .. Lacy mentioned how good of a football player he was ~~ quick as a scared cat !!! Dot ~~ I have been holding on to his Birthday card for sometime now .. going to address to Heaven as I am certain of his new home !*
