“ James built our home in Wexford Hills. He was an excellent builder with a fine reputation. When our home was completed, we had a cook-out for James and his workers to show our appreciation. So very sorry to hear of his passing.

“ Rhonda, there are no words that I could say that would reflect how sorry Bob and I are at the passing of James, especially so suddenly. We always looked forward to your trips to TN in the summers for family reunions so we could visit and catch up. In later years, it seemed it was funerals that brought us together. However, time nor distance ever kept us from thinking about you, and wishing we had more time together. I am sorry I am too far away to be there, but know I am thinking of you and praying for each of you as you go through this difficult time. I pray the Lord with strengthen you through your memories of James. I pray for you to have Peace and that the steadfast love you shared with one another will never cease to sustain you during your times of sadness. May you always be blessed as you bless others. Love, Caroline and Bob (Attaway)
