“ Mike, along with Sharon and the family, was such a great friend and coworker to Andy and I. There are so many great memories, but I will always remember, and am still grateful, that he pushed his vacation back so Andy could take off for our wedding. Not only that, he called Andy before the ceremony started to congratulate us. Mike will always hold a special place in our hearts and we will continue thinking of all of you.

So sorry to hear of your loss. Mike was a great man and will be missed. He always had a story to tell. I enjoyed his retirement party and all the stories shared. It was always a bright spot in my day when he would clinic when he would stop by to say hello. RIP. Nurse Charlotte
