“ My heart is with Janie's family at this bittersweet moment. I am thankful that she is now pain free and at rest in the arms of our Lord! I know it is just the beginning of pain & sorrow for her family, though. Her legacy lives on as does her memory. She was a truly devoted servant to Our Lord and a loving Mother and wife. Her devotion to all three was steady and fierce!! God bless you and all your family.

“ Hello Family, this is Eileen Long, and JANE and I were in High School together. JANE was such a wonderful person back then, and I'm sure you can share stories of just how much more wonderful she became as she blossomed into your Mom and Grandmother and family member. Truly, she was a class act. So sorry to hear of your loss. Eileen Long

“ Dear Wood and Goodwyn family  
Jane and I grew up as neighbors on Avondale Ave. We were childhood friends but somehow went separate ways in high school(perhaps different interests?). We reconnected after 50 years last Fall at the reunion of JMHS class of 69 and enjoyed sitting next to each other and catching up. We both commented, after recalling memories of days on Avondale, that we looked like our mothers! We meant it as high praise!  
So very sorry for your loss but am happy to see that it is Janie's gain. To God be the glory for all He has done. Ann Ingram Popovich

“ The prayers and thoughts of the Hathaway family are with you as you celebrate Jane's wonderful life with us and her new life in heaven. Jane and I graduated from John Marshall High School, Class of 1969. She had a wonderful smile then, and through all of the challenges that are a part of life, she continued to smile. Her faith in God, her leadership in Emmaus, her love of Eddie and her family are all precious gifts that she leaves to encourage family and friends. I pray you will find comfort in knowing that we care, and that she touched more lives than we will know on this side of heaven. You have not lost her, she is not lost. Jane is at home with our Lord, and you know that Eddie was first in line to greet her. They're both watching over you now, cheering you on, and looking for just the right spot along some river in heaven.

*I said at our 50th Class Reunion in September, that in life and in death, we are forever united as the Class of 1969, John Marshall High School.*

*We are saddened to hear Janie has passed on from our presence. She and Eddy have been a real blessing to our family. They sponsored our Spiers Reunion on numerous occasions. Janie was a care giver to our mother, Alva Lee, during the last ten years of mother's life. She also kept us informed of her mother, Sara, my sister, until her death. She always demonstrated her Christian faith in all she did. Janie always appeared to us with the aura of an angel. We are proud of She and Eddie's family. We love you and grieve along with you in your loss.*
