“ *Janice had a great sense of humor (very dry) and was a wonderful addition to our Avid Family. She cut you no slack when she had a difference of opinion which I respected. She fought her disease for a long time and I admire her.*

She is free of pain.

“ Leigh Ann and family,
I am truly sorry for your loss, please accept my sincerest condolences. I worked with Janice for 16 years at AVID Medical and she was such a nice person. She always talked about her Leigh Ann and her dogs. We loved to talk about the good times at Avid and how many freinds we have made over the years here at work. I will remember her love of going to the beach never to go swimming but just to relax. Heaven has gained a beautiful young lady; may she rest in peace.

“ *My prayers go out to Janice's family. I've worked with her for about 9 years and can truly say she was hardworking, dedicated to her daughter and pups, kind, took no nonsense, and funny. I'm glad I had the chance to learn, work, and joke around with her. Be it about the job, our love for Daryl from "TWD", or how crazy our pets were she kept me laughing. She will truly be missed. Death is never easy and words may only provide just a bit of comfort, but I pray you find peace in this time.*

“ To Leigh Ann and family - Praying that God will comfort your hearts today and forever. Janice and I worked together for going on 14 years. I am going to miss talking to her over my cubicle about what we're going to eat for lunch, TV shows, and her sarcastic remarks about how much I talk! She was a beautiful and sweet person and I will treasure the time I had the pleasure of knowing her. May she Rest In Peace.
