We would like to extend our condolences to the family of Jerry. We have and will miss Jerry greatly he always had a smile on his face and a joke coming out to greet us every visit. We love to hear his stories about his fishing trips. A friendlier person I can't say that I have ever met. We are truly sorry to hear of his passing.

“ Dear Sarah and family, I'm so sorry for your loss. Jerry was such a positive influence on my life growing up, donating so much of his time helping make strong and confident young women with years and years of coaching us in team sports! We had a lot of fun playing for Coach Britt. He was always so kind and supportive and a wonderful role model. I know he will be very missed.

“ *I will always remember Jerry as a guy who enjoyed pulling a fast one on if he had the chance to do so ! I think his many achievements will show in the way young people carry out their lives as he was a good role model when he tried teaching kids about sports and the beauty of the water. He was a one of a kind fellow and I was glad to have been able to call him my friend !!!*
