“ *My smiling, happy uncle. I have so many good memories with you. You were my best babysitting partner. How you survived trying to teach me to drive I will never know. You took me for rides on your Triumph. I could go on and on. When you see my dad, please tell him I love him and I miss him everyday, even though I know he already knows this. You will be missed but you have left so many with beautiful memories. R. I. P. We love you.*

“ *I'm so sorry for your loss. Jerry was a good man who loved his family. He attended our Christ Community and was always there with a ready smile. Janet, Lori and family; my heart breaks for you. But, what a rejoicing in heaven.*

“ I was proud to have Jerry as a friend for almost forty years. Jerry and I trucked together as well as worked on them. I could always count on him being there for me whether I was in my shop or 12500 miles away. I knew I could count on him! Jerry called me one time to ask me my opinion on a CAT motor of his that he was having a problem with. I gave him my opinion and then asked why he called me. Jerry told me that as long that I had been working on mine he figured that I probably had already had the same problem and could set him straight. Jerry had forgotten more about CAT motors than I will probably ever know! He made me feel good by thinking that I might know something that he didn't ! Jerry told me more than one time....."a man made it and a man can fix it" (good way to look at it) Jerry could explain things to me and make it easy to understand. He gave me confidence to go into a job by saying "Go in it...what are you worried about...you have done more technical work than that to it !" He evidently had confidence in me, which meant a lot to me. I knew Jerry in his rough and rowdy days and was always lucky enough to be on his good side! Thank GOD for that! Jerry could be a force to be reckoned! Jerry like us all settled down and went from rough and rowdy to staying around home.....putting his full attention and love towards Janet and Lori and the grand kids. Jerry had a good life...lots of family and friends and will always be remembered but not forgotten. Speedy I will talk to you later!
