“ I still can't believe you're gone. Not a day goes by that I don't think about you and how your family is missing you and wishing so much that you were there. I miss that grizzly voice, but that oh so kind heart. I see your picture and I cry, I cry because such a good guy was taken to early, I cry because Carly and Austin won't grow up with their DAD, I cry because Tracy lost her LOVE, and I cry because Diane lost her SON...We all lost someone special in his own way, you JIM.....RIP

“ We were shocked when we heard about Jimmie's passing. We are so sorry for this huge loss in your family. We are very sorry for his family and friends. I just saw Jimmie several weeks ago and we talked about his children and fishing. He was always very kind to both of us. Please know we are continuing to lift up the family in our prayers.
