“ *David and Ruth Ellen, I am so sorry for your loss. I just heard this morning and I am still in shock. Joan was such a special woman and I'm proud to say that I considered her one of my best friends. I worked with her at VDOT for many years and will always treasure the phone calls and chats that we seemed to have daily. I regret that once she retired, we did not keep in touch more often than the twice yearly birthday calls. I will miss those calls and her. She was a doting grandmother to those two boys and loved talking about them. She definitely loved her family very much. May God grant you comfort, peace and serenity during this difficult time. Rest in peace, Joan.*

“ It was such a pleasure enjoying lunch with Jo Jo and David just two short months ago. No signs of illness that day, so accepting this loss is so unexpected. She wore a beautiful blouse that reminded me so much of how Aunt Marian used to dress Jo Jo and Ruth Elaine so pretty for Easter & church activities. She will always be that pretty little cousin to me.

David and Family, our thoughts and prayers are with you during this time. Joan was truly one of a kind and her help and smiles meant a lot to me in my days in Tappahannock and Bowling Green. I will always remember the laughs and good times at the EBA picnics.

Our thoughts and prayers are with David and the family during this difficult time. I knew Joan through VDOT and she was the model fiscal assistant in Rumford and always was helpful and pleasant to everyone she came in contact with. She was a joy to be around.

David and Family,

Our thoughts are with you and our remembrances are of Jo Jo. All the cousins on the Martin side of the family were close growing up and our families frequently got together. Jo was always smiling in our recollections of those times. She lived here in Fredericksburg with our family for a time during high school and she was a dear, dear person. As cousin Carolyn said, we are so glad to have had the chance to see her and you at lunch so recently.
