“ Uncle Johnny I don't know where to begin you weren't just an uncle you were a friend to us. You would always tell us you were proud of us. If anyone needed a hand you were there willing to help. You loved aunt Marie like nothing I have ever seen I remember your wedding like it was yesterday. My 2 cousins... Your 2 boys.... They were your life!! There are so many fond memories that I don't have enough time or space to write them all. You are loved more than you will ever know. I'm gonna miss your smile, your laugh and those really tight lung squeezing hugs you would give. So I'm not going to say goodbye but see you later. I love you!!!!!!
